To Whom It May Concern:

I am writing this letter to appeal the \$2,500 fine and or fee for the income disclosure form for tier 2 candidate. I paid the filing fee to run for city council in 2014 and upon entering the race I quickly found out how completely overwhelming the task was for a single individual. I was unable to meet these demands and my quest ended before it could even begin due to the financial, mental and physical strain. It is with a heavy heart that I ask for your forgiveness in my non-compliance and that you reconsider my fine assessment and I am working diligently to correct the situation so that I may again run someday with renewed vigor and a better understanding of the process.

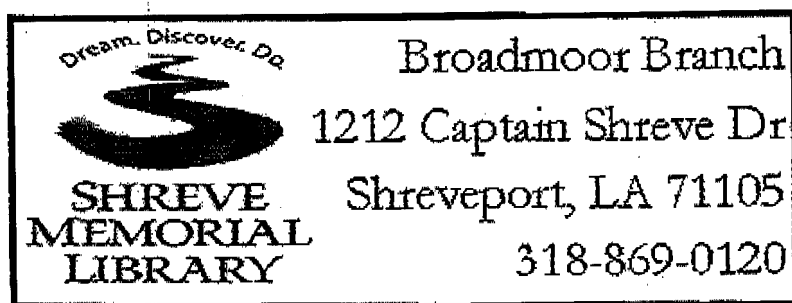

Sincerely,

Innis H. Addison
